Re: Sci-Tech Discovery Center Covid-19 Policies for Staff and Customers

---

**Employees, guests, and onsite program participants are requested to follow the revised policies starting June 1<sup>st</sup>. These policies reflect Frisco ISD protocols and will remain in effect throughout the summer. We appreciate your cooperation and understanding to help us keep our guests and staff members healthy.**

- Face coverings will not be required. Sci Tech will work to ensure no guest or staff member is treated differently as a result of their choice to wear or not wear a mask.
- Parents and employees are required to report confirmed positive cases at 972-546-3050 or [info@scitechdiscovery.org](mailto:info@scitechdiscovery.org). Parents and employees will be notified when there is a positive case in their group.
- Sci-Tech will make hand sanitizer, disinfecting wipes, soap and water, or similar disinfectant readily available and place readily visible signage to remind everyone of frequent hand-washing
- Classroom sizes and number of guests allowed in the museum at one time will align with state and local guidelines and allow social distancing of 6 feet whenever possible.

**Sci-Tech Discovery Center requests that employees, guests, and program participants with the following situations not participate in a program or enter Sci-Tech:**

- If you are experiencing any symptoms of COVID-19 (including fever, chills, cough, shortness of breath, headache muscle pain, or sore throat)
- If you have tested positive for COVID-19 and have not quarantined for 10 days from the date of symptom onset or 10 days from a positive test without symptoms

All Sci-Tech staff has been trained for hygiene and social distancing according to state and local guidelines. We appreciate your cooperation and understanding. Please reach out with any further questions at [info@scitechdiscovery.org](mailto:info@scitechdiscovery.org).
